RADIO CHAB STATION

MOOSE JAW
SASKATCHEWAN

December 19th,1946.

Mr. S.R. Morss,
R 3,
Bradford, Mass., U.S.A.

Dear Mr. Morss:

We wish to thank you very much for your report on our DX test carried out on Monday, December 9th, 1946, between 3 and 4 a.m. E.S.T. We are happy to say that your report is confirmed by our log.

You may be interested to know that this DX test is one of the first periods of broadcasting of this station since it increased its power from 1000 to 5000 watts.

Wishing you a very Merry Christmas and a Happy New Year,

Yours very truly,

Sid Boyling,
Ass't Station Manager.
